# NEWSLETTER

SECOND TERM 2023

27 MAY

## OPENING REMARKS.

I trust that you are all managing and we continue to give thanks to the Almighty .We thank you for the continued support. It is my intention that Nattie College becomes the pre-eminent institution in terms of academic, sports and culture. I remind all parents of the important role they have to play in supporting all which the school does and by allowing their children to participate in the broadstrange of activities possible.

### ACADEMICS

End of month tests have started in order to ensure that all learners grasp concepts and are not left behind.

We encourage parents to also push learners to study more in order to achieve good results.

### UNIFORMS

All parents are urged to make sure that learners wear the appropriate and correct uniform for the term.

On tracksuit days only white sneakers are allowed. School satchels, sports bags and lunch bags are now available at the school.

## ENROLMENT

The 2023 term 2 enrolment for both boarding and day school is still in progress. Kindly contact the admin on 0788306018 for more details.

## EVENTS

Our Toastmasters hosted an Africa day event on the 26th of May. This was a successful event as all students were able to come fully dressed in their attires and showcase their talents. We thank you very much for the continued support.

## SPORTS

It has been a busy week for us thus past week as we had our Soccer boys going to St Ignatius for their 1st soccer match this term. Our U14 will be taking part at the BMC Soccer tournament being held this Saturday the 27th of May.

We wish them well. The rugby boys were also busy preparing for their maiden match coming up this Saturday against Bernard Mizeki College. We would like to encourage our lovely parents to come out in their numbers to support the boys. Next week our basketball teams will be clashing at home with Wise Owl Westgate on Saturday the 3rd of June as our Soccer boys take on St George's Dragons on Friday the 2nd of June at Saints.

We keep encouraging our supportive parents to buy equipment for the different sporting codes for total participation of every child I the school.
