

NATTIE COLLEGE

NEWSLETTER

THIRD TERM 2023

Opening Remarks

Greetings to our dear Parents and Guardians. It is good to communicate to you once again. We are thankful for the rains that we are receiving. All learners came from the midterm break rejuvenated and ready to finish off the term.

On Thursday the 19th of October Art students form 1- 3 went to Lake Chivero for an outdoor lesson. Learners were exposed to the outside environment and managed to acquire more skills and knowledge in the subject. We thank all the parents and guardians who supported this day to be a success.

Academics

Cambridge examinations are still on and we have a number of papers remaining. We are really grateful that so far no health issues have been faced. Revision sessions are on-going to ensure that all learners are assisted and are well prepared for the exam. Examinations for non-candidates will begin on the 9th of November and we hope our learners will apply the skills and knowledge they have been taught throughout the year.

NATTIE COLLEGE
BORROWDALE BRANCH
OPENING JANUARY 2024

COMING SOON

We provide quality education and facilities for nurturing excellence in our students

Sports

It has been an eventful week for us as we were preparing for our maiden Cricket Tournament which we are hosting at Takashinga Sports Club tomorrow. We are excited to host this triangular series. We like to invite you all to come and support the boys.

Our Volleyball and Basketball teams are battling it out at the St John's College tournaments being held tomorrow again. Today we are travelling to Peterhouse in Marondera. We are really excited about the exposure our boys are getting. We thank you for the continued support.
